

Anserina Voice presents

AI Jane

Your Cliniko Receptionist

Pays For Itself

Every missed call costs you business.

Turn missed calls into new clients.

Meet AI Jane

Your Ideal Receptionist

Seamless Integration

AI Jane integrates **seamlessly with Cliniko**, ensuring a smooth workflow for your practice.

Enterprise Security

Patient data is protected with **healthcare grade encryption**, ensuring confidentiality and compliance.

24/7 Availability

AI Jane offers **round-the-clock availability**, ensuring no patient inquiry goes unanswered.

Simple and Risk Free

Instantly learns your setup from Cliniko

Simple Cliniko Integration

Accesses real-time Cliniko availability.

Book, cancel, reschedule appointments.

Ensures a smooth and seamless user experience.

Mirrors your clinic setup

Reads Cliniko to learn your practitioners, services, and locations

Mirrors your clinic setup automatically.

Leading Flexibility

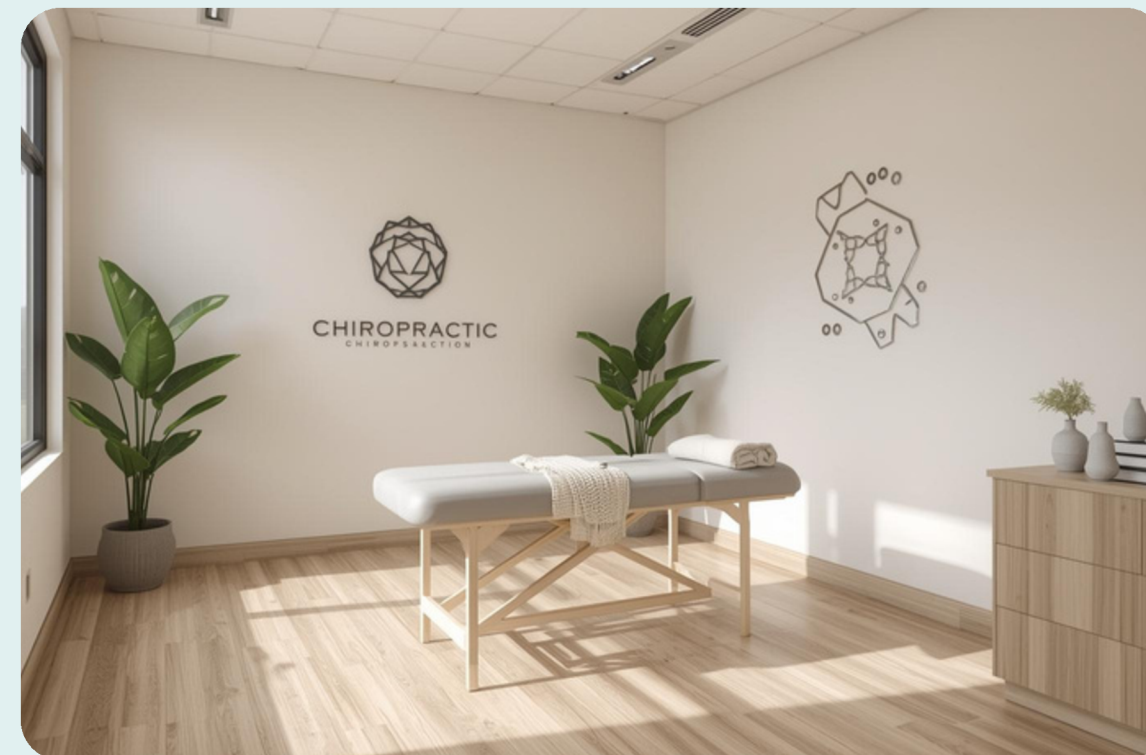

Manages multi-location requests intelligently, suggesting options at both the caller's preferred site and the requested practitioner's location in a single turn.

Designed for Allied & Complimentary Health clinics

Tailored for Cliniko Users

AI Jane is specifically crafted for allied and complimentary health clinics. It understands industry jargon and can suggest which therapy might be most appropriate.
